So Many Ways to Play

Waterbury has long been a year-round destination for outdoor adventure, and we invite you to take full advantage of the nature that surrounds us.

From Waterbury, you have easy access to some of Vermont's highest peaks including Camel's Hump, Mount Mansfield, and Mount Hunger. Hike, bike, snowshoe, and camp at Little River State Park - make sure you explore the History Hike trail that loops past cemeteries and other remnants of a long-abandoned 19th-century settlement.

Have some fun on the water canoeing, kayaking, paddleboarding, boating, fishing, and swimming in the Waterbury Reservoir and surrounding State Parks. Or, take a trip down the Winooski River, accessible at various spots along the Cross Vermont Trail.

Mountain bikers will find some of the state's finest trails in Waterbury. Between easy access to the Perry Hill and Little River networks and lift-serviced trails at Bolton Valley, you can ride dynamic terrain from beginner to expert. After a good snowstorm, hop on a fat tire bike
